

Individual Targetted Subsidies

Starting 1 November 2016, support for events in the field of culture and tourism is to be provided by the City of Prague through the applicable grant (subsidy) programmes (see section Grants), in justified cases it is possible to apply for support in the form of Individual Targetted Subsidies as per Section 10a (2) and (3) of Act No. 250/2000 Coll., on the budgetary rules of territorial budgets, as amended.

Individual subsidies are provided exceptionally and only under the condition that it is an extraordinary benefit for the city of Prague or applicant was affected by major force and the application form contains a strong justification for these conditions. Preferably the city of Prague provides subsidies for activities and services within the framework of program subsidies.

An individual subsidy will not be provided for a purpose that falls under program subsidies, or for a regularly (annually) recurring purpose, or if the Application is mainly justified by time reasons.

Detailed information and the requisite application forms (in Czech) are available on :
